MNC Gramedia

KOMPAS GRAMEDIA | 2015

- Build a web catalogue of MNC Gramedia Comics using MVC Framework.

The screenshot shows a web-based comic book catalog. At the top, there's a search bar and several filter buttons: 'Search By Rating', 'Search By Category', 'Search By Genre', and 'Search By Country'. Below these are sections for 'New Release', 'Best Seller', and 'Coming Soon'. Each section displays a grid of comic book covers with titles like 'TOKYO GHOUL [DAYS]', 'TOKYO GHOUL [VOID]', and 'TOKYO GHOUL [PAST]'. The interface is clean with a red header and a white background.

This screenshot shows a detailed view of comic book releases. It features a large search bar at the top and a grid of comic book covers. Each cover includes its title and price. The grid is organized into sections such as 'All Comics' and 'First Love'. The design is more complex than the previous one, with a red header and a white background.

This screenshot shows the company details page of MNC Gramedia. It includes a brief history of the company, contact information (address, phone number, email), and links to various social media platforms. At the bottom, there are several logos for different brands under the Gramedia group, including Gramedia, Kompas, Kloni, and Aketi.

- Build monitoring system for eClinic usage

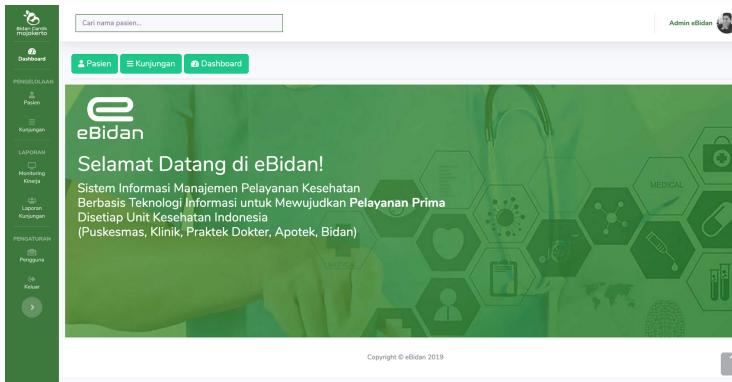

The screenshot shows the eClinic platform's GIS National map. The map displays various locations across Indonesia, including Padang, Jakarta, and Solo. Each location is marked with a pin and a label indicating its name and administrative status. A legend on the right side of the map provides information about the symbols used for different types of locations. The interface includes a sidebar with navigation links for Dashboard, Pelajaran, GIS, Nasional, Klinik, Master Data, and Admin Panel. At the bottom, there are links for Google and a copyright notice from Infokus Indonesia.

The screenshot shows the e-Clinic GIS Klinik interface. On the left, there's a sidebar with navigation links: Dashboard, Pelayanan, GIS (selected), Nasional, Klinik, Master Data, and Admin Panel. The main content area has a title 'GIS Klinik' and two buttons: 'Kembali' and 'Refresh'. Below this is a map of the Jakarta region. Three specific locations are highlighted with callouts: 'KLINIK RUMAH ZAKAT JAKARTA UTARA' near Taman Impian Jaya Regency, 'KLINIK CITA SEHAT JAKARTA TIMUR' in central Jakarta, and 'KLINIK RUMAH ZAKAT PEKANBARU' in Pekanbaru. Each callout includes the clinic name, address, phone number, and activity log. A legend on the right indicates icons for clinics, hospitals, and landmarks. The bottom of the map shows a legend for Google street view.
